

Add the two groups.

Write the total in the empty box.

$$\begin{array}{c} \text{balloon} \end{array} + \begin{array}{c} \text{balloon} \quad \text{balloon} \end{array} = \boxed{}$$

$$\begin{array}{c} \text{balloon} \quad \text{balloon} \end{array} + \begin{array}{c} \text{balloon} \end{array} = \boxed{}$$

$$\begin{array}{c} \text{balloon} \quad \text{balloon} \quad \text{balloon} \end{array} + \begin{array}{c} \text{balloon} \quad \text{balloon} \end{array} = \boxed{}$$
