

My five-day weather diary

Look outside each day. Draw the weather and circle how it feels.

Mon

cold cool warm
dry rainy snowy

Tue

cold cool warm
dry rainy snowy

Wed

cold cool warm
dry rainy snowy

Thu

cold cool warm
dry rainy snowy

Fri

cold cool warm
dry rainy snowy

At the end: Which weather did you see most often?

Draw what you actually see. A grown-up can help read the words.
